

What is Book Taco?

Book Taco is a formative classroom reading accountability program that provides students with immediate feedback on their reading comprehension while furnishing teachers with robust reporting and real time analytics on student progress and achievement.

Perfect as an affordable alternative to Accelerated Reader, Book Taco differentiates itself from outdated, legacy programs by incorporating a diversified and inclusive suite of learning opportunities along with fun, interactive technologies that foster heightened engagement while rewarding student effort.

What makes Book Taco safe?

We take your privacy and your students seriously. Book Taco protects personal information and our commitment is guided by a few major principals:

- We don't require any Personal Data from students.
- Account manager can delete or correct Personal Data from students at any time.
- Maintain a safe and compliant platform.
- Information is never sold.
- Bank-grade security at the software and network level to ensure all data is secure.
- All information is stored in highly secure, access controlled data centers.
- Work regularly with third party auditors to continually improve security measures.

Bring your students back to books. Get them excited about reading.
