

The foundation for lifelong reading.

What Is Book Taco?

Book Taco is a dynamic, **gamified** platform that fosters student accountability and creativity.

With over 58,000 book quizzes, students can log reading time, expand vocabulary, respond to writing prompts, participate in challenges, and earn rewards, creating a fun and interactive reading experience.

By blending engaging activities with interactive technology, Book Taco boosts student engagement and rewards effort, making reading enjoyable and impactful for every learner.

Discover the teacher features

Effortlessly track student progress and streamline class management with our all-encompassing educational resources.

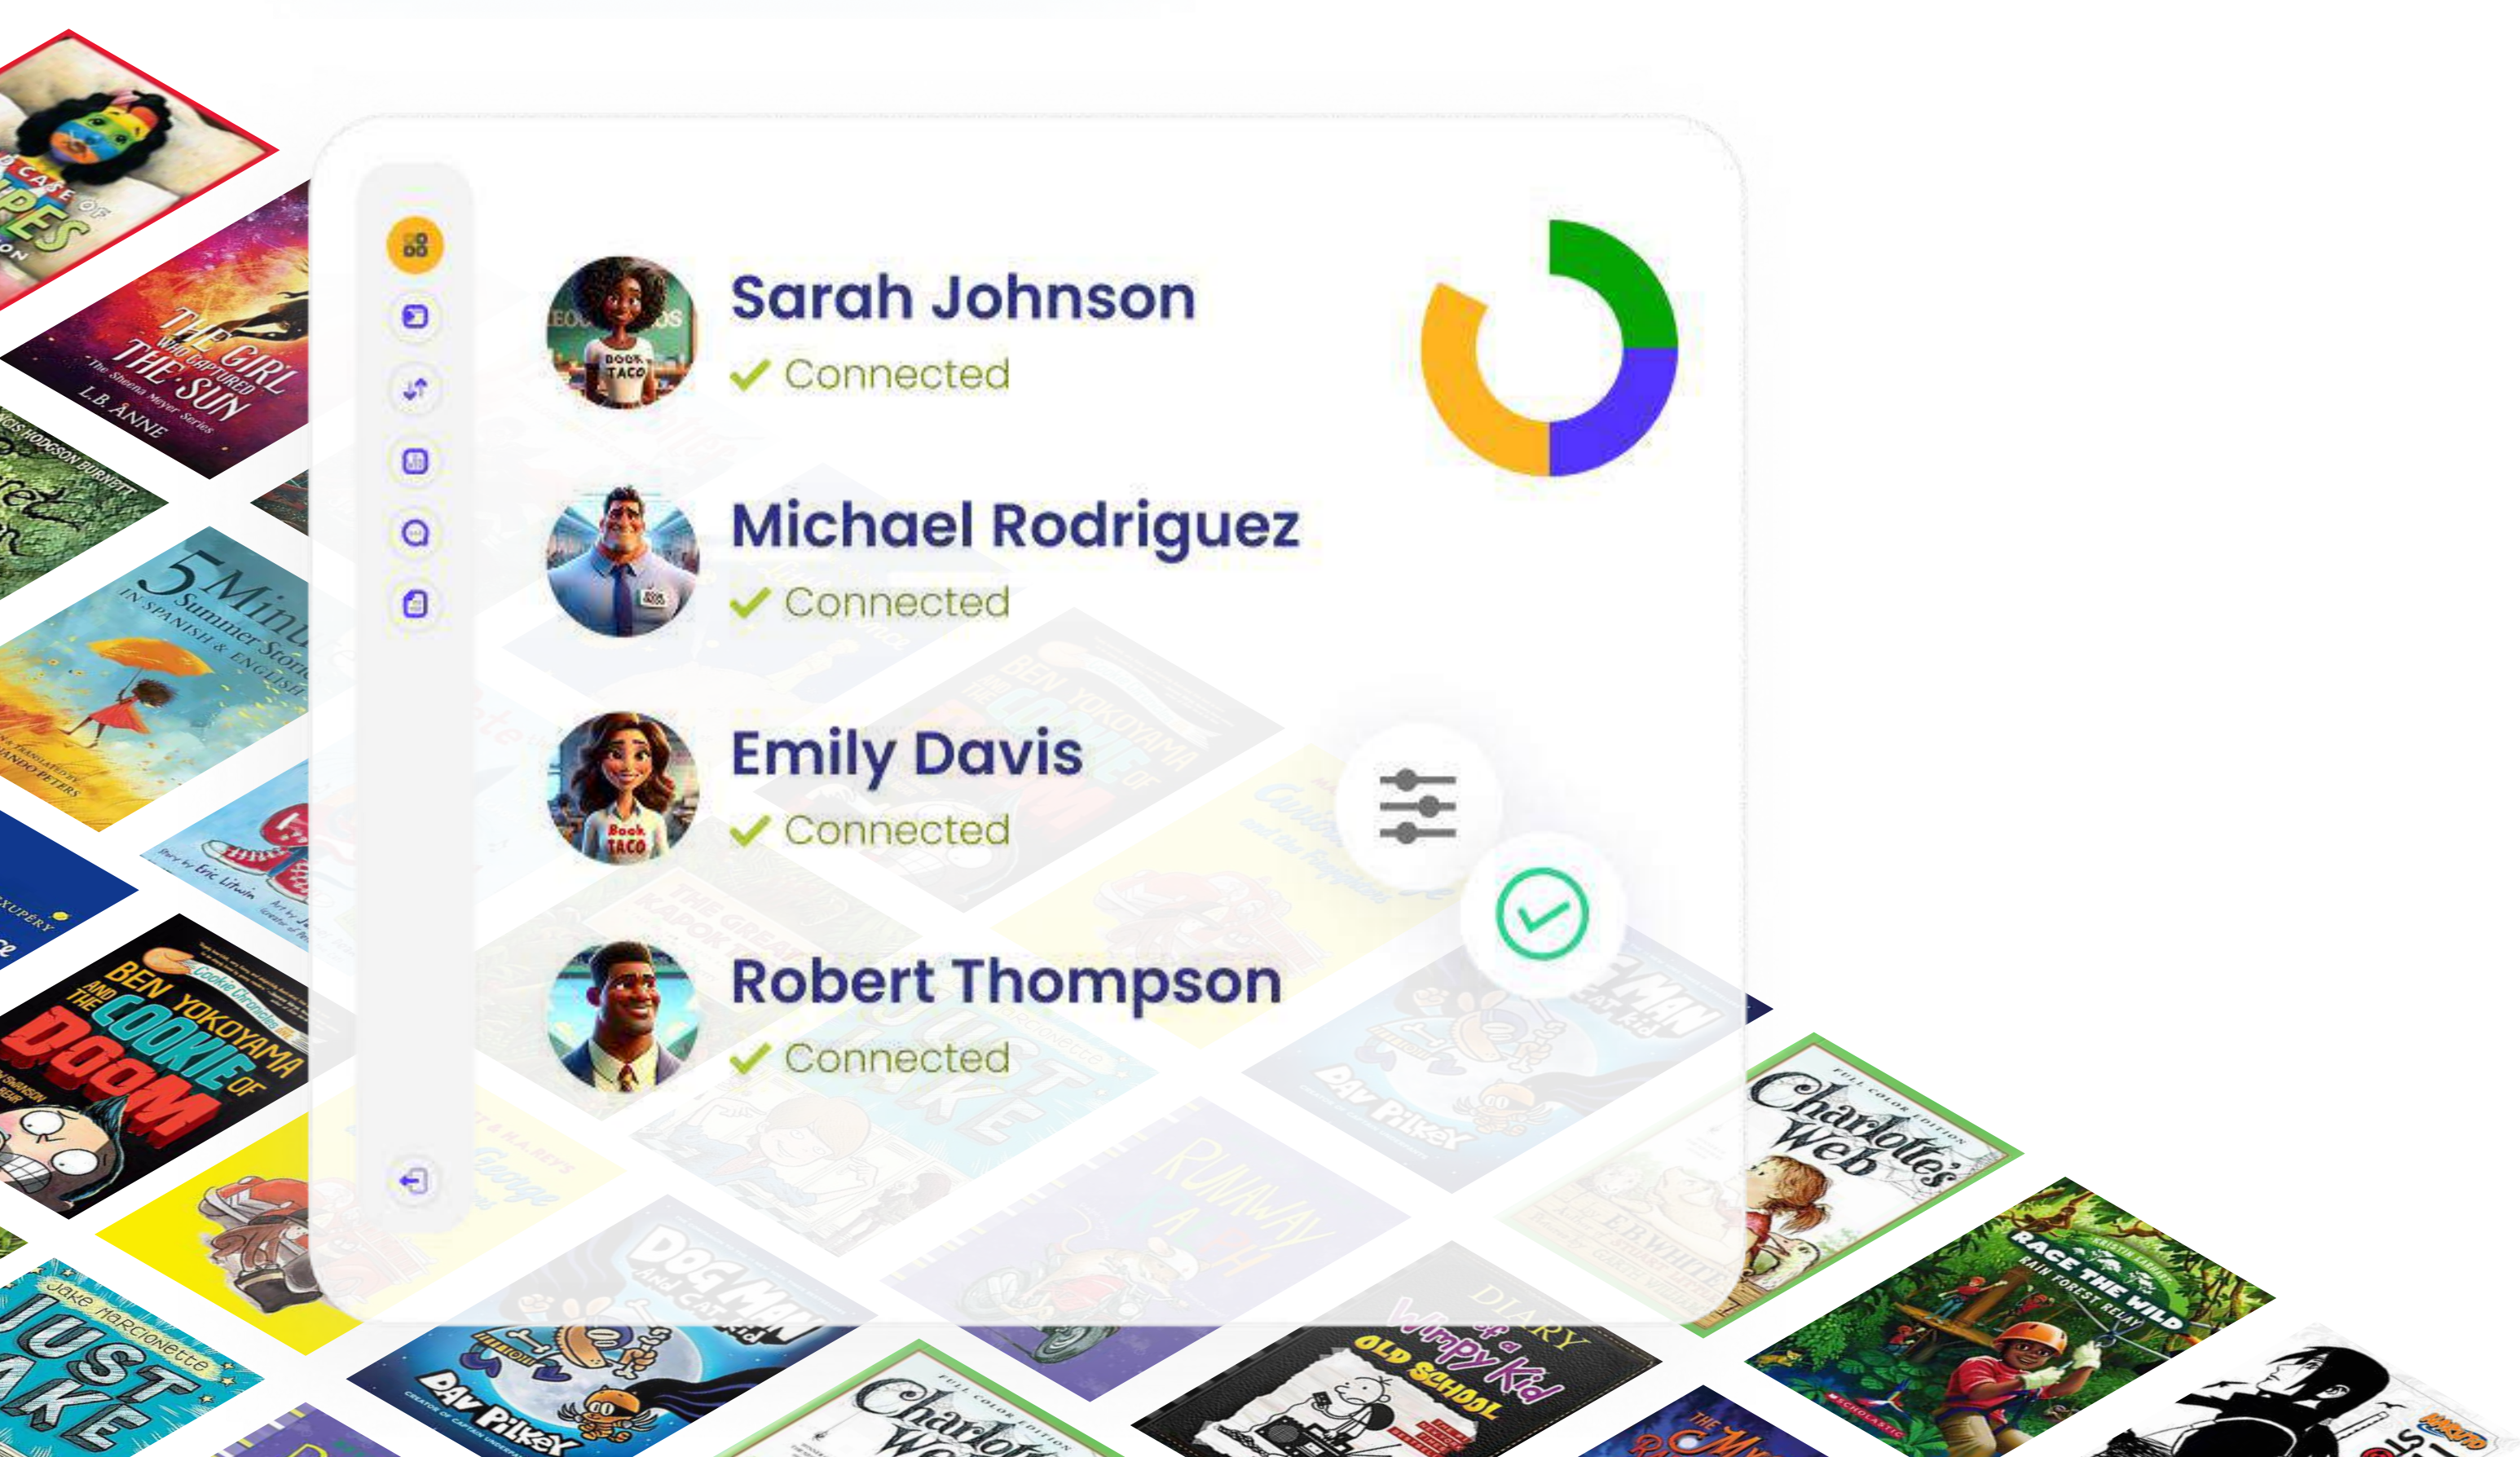

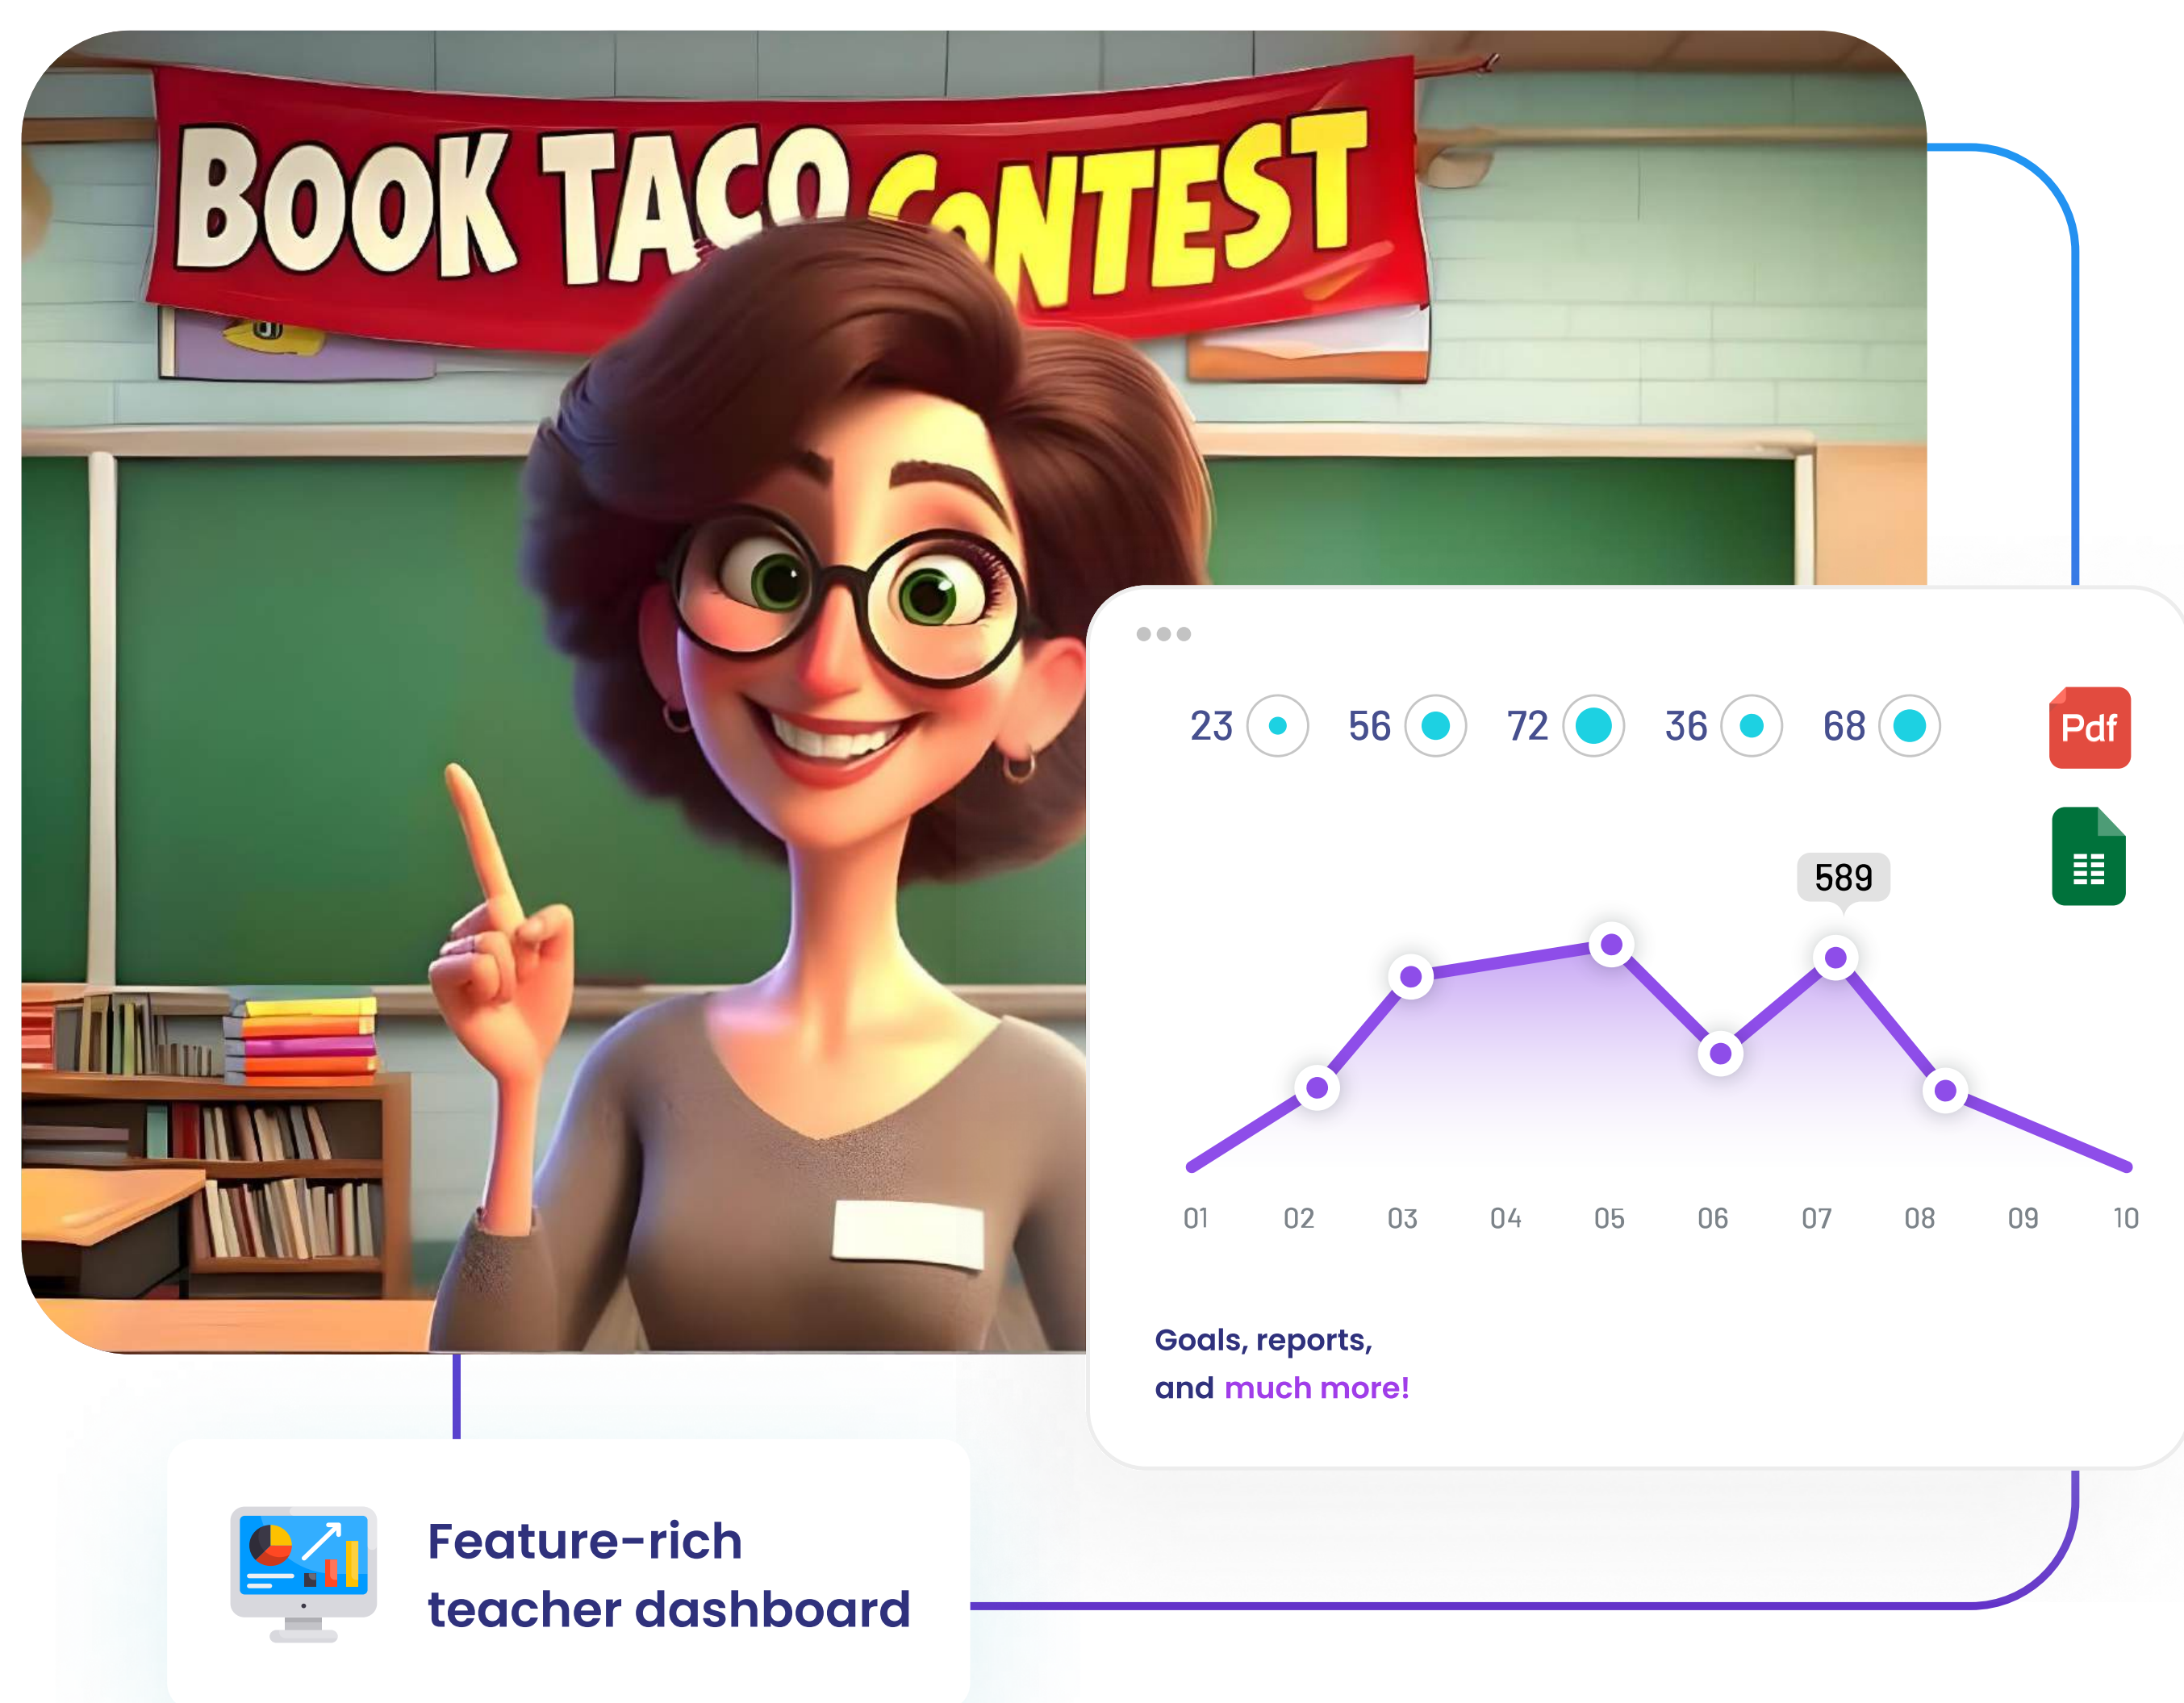

Instant summary cards give a quick overview of student performance, while in-depth reports offer comprehensive insights.

Educators can share their achievements on social media, boosting enthusiasm and recognition for both students and the entire classroom.

Comprehensive management with the school leader panel

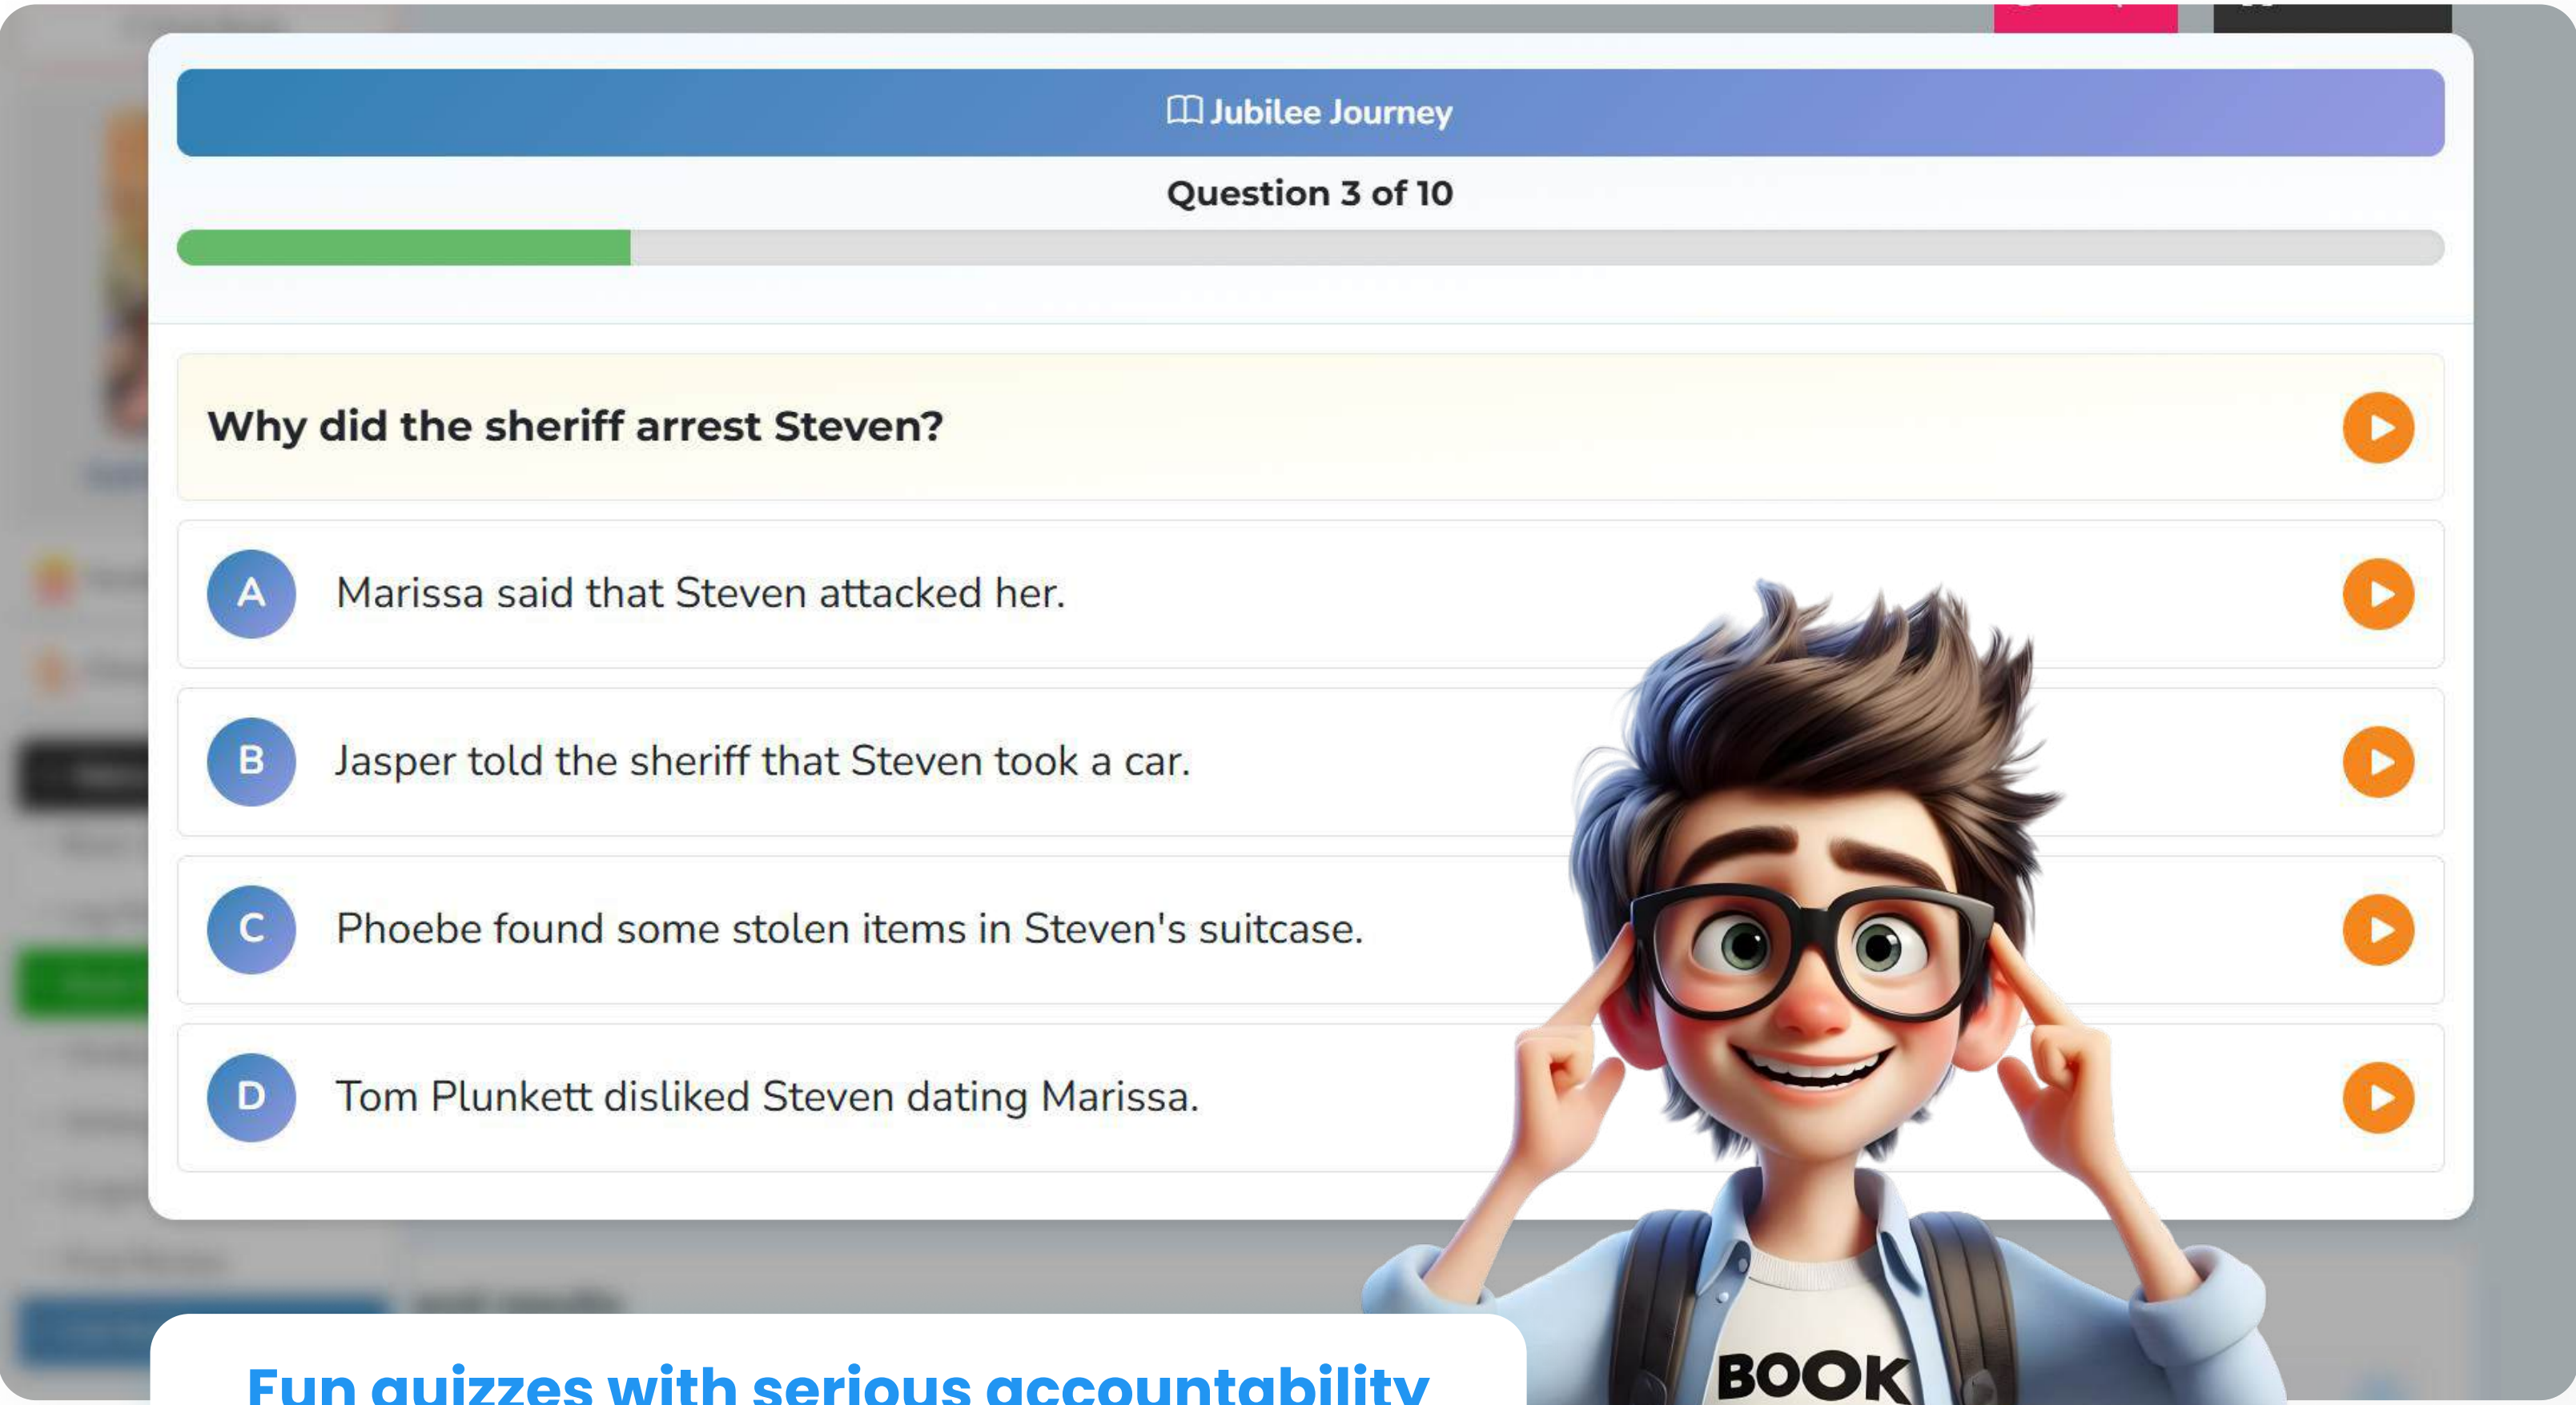

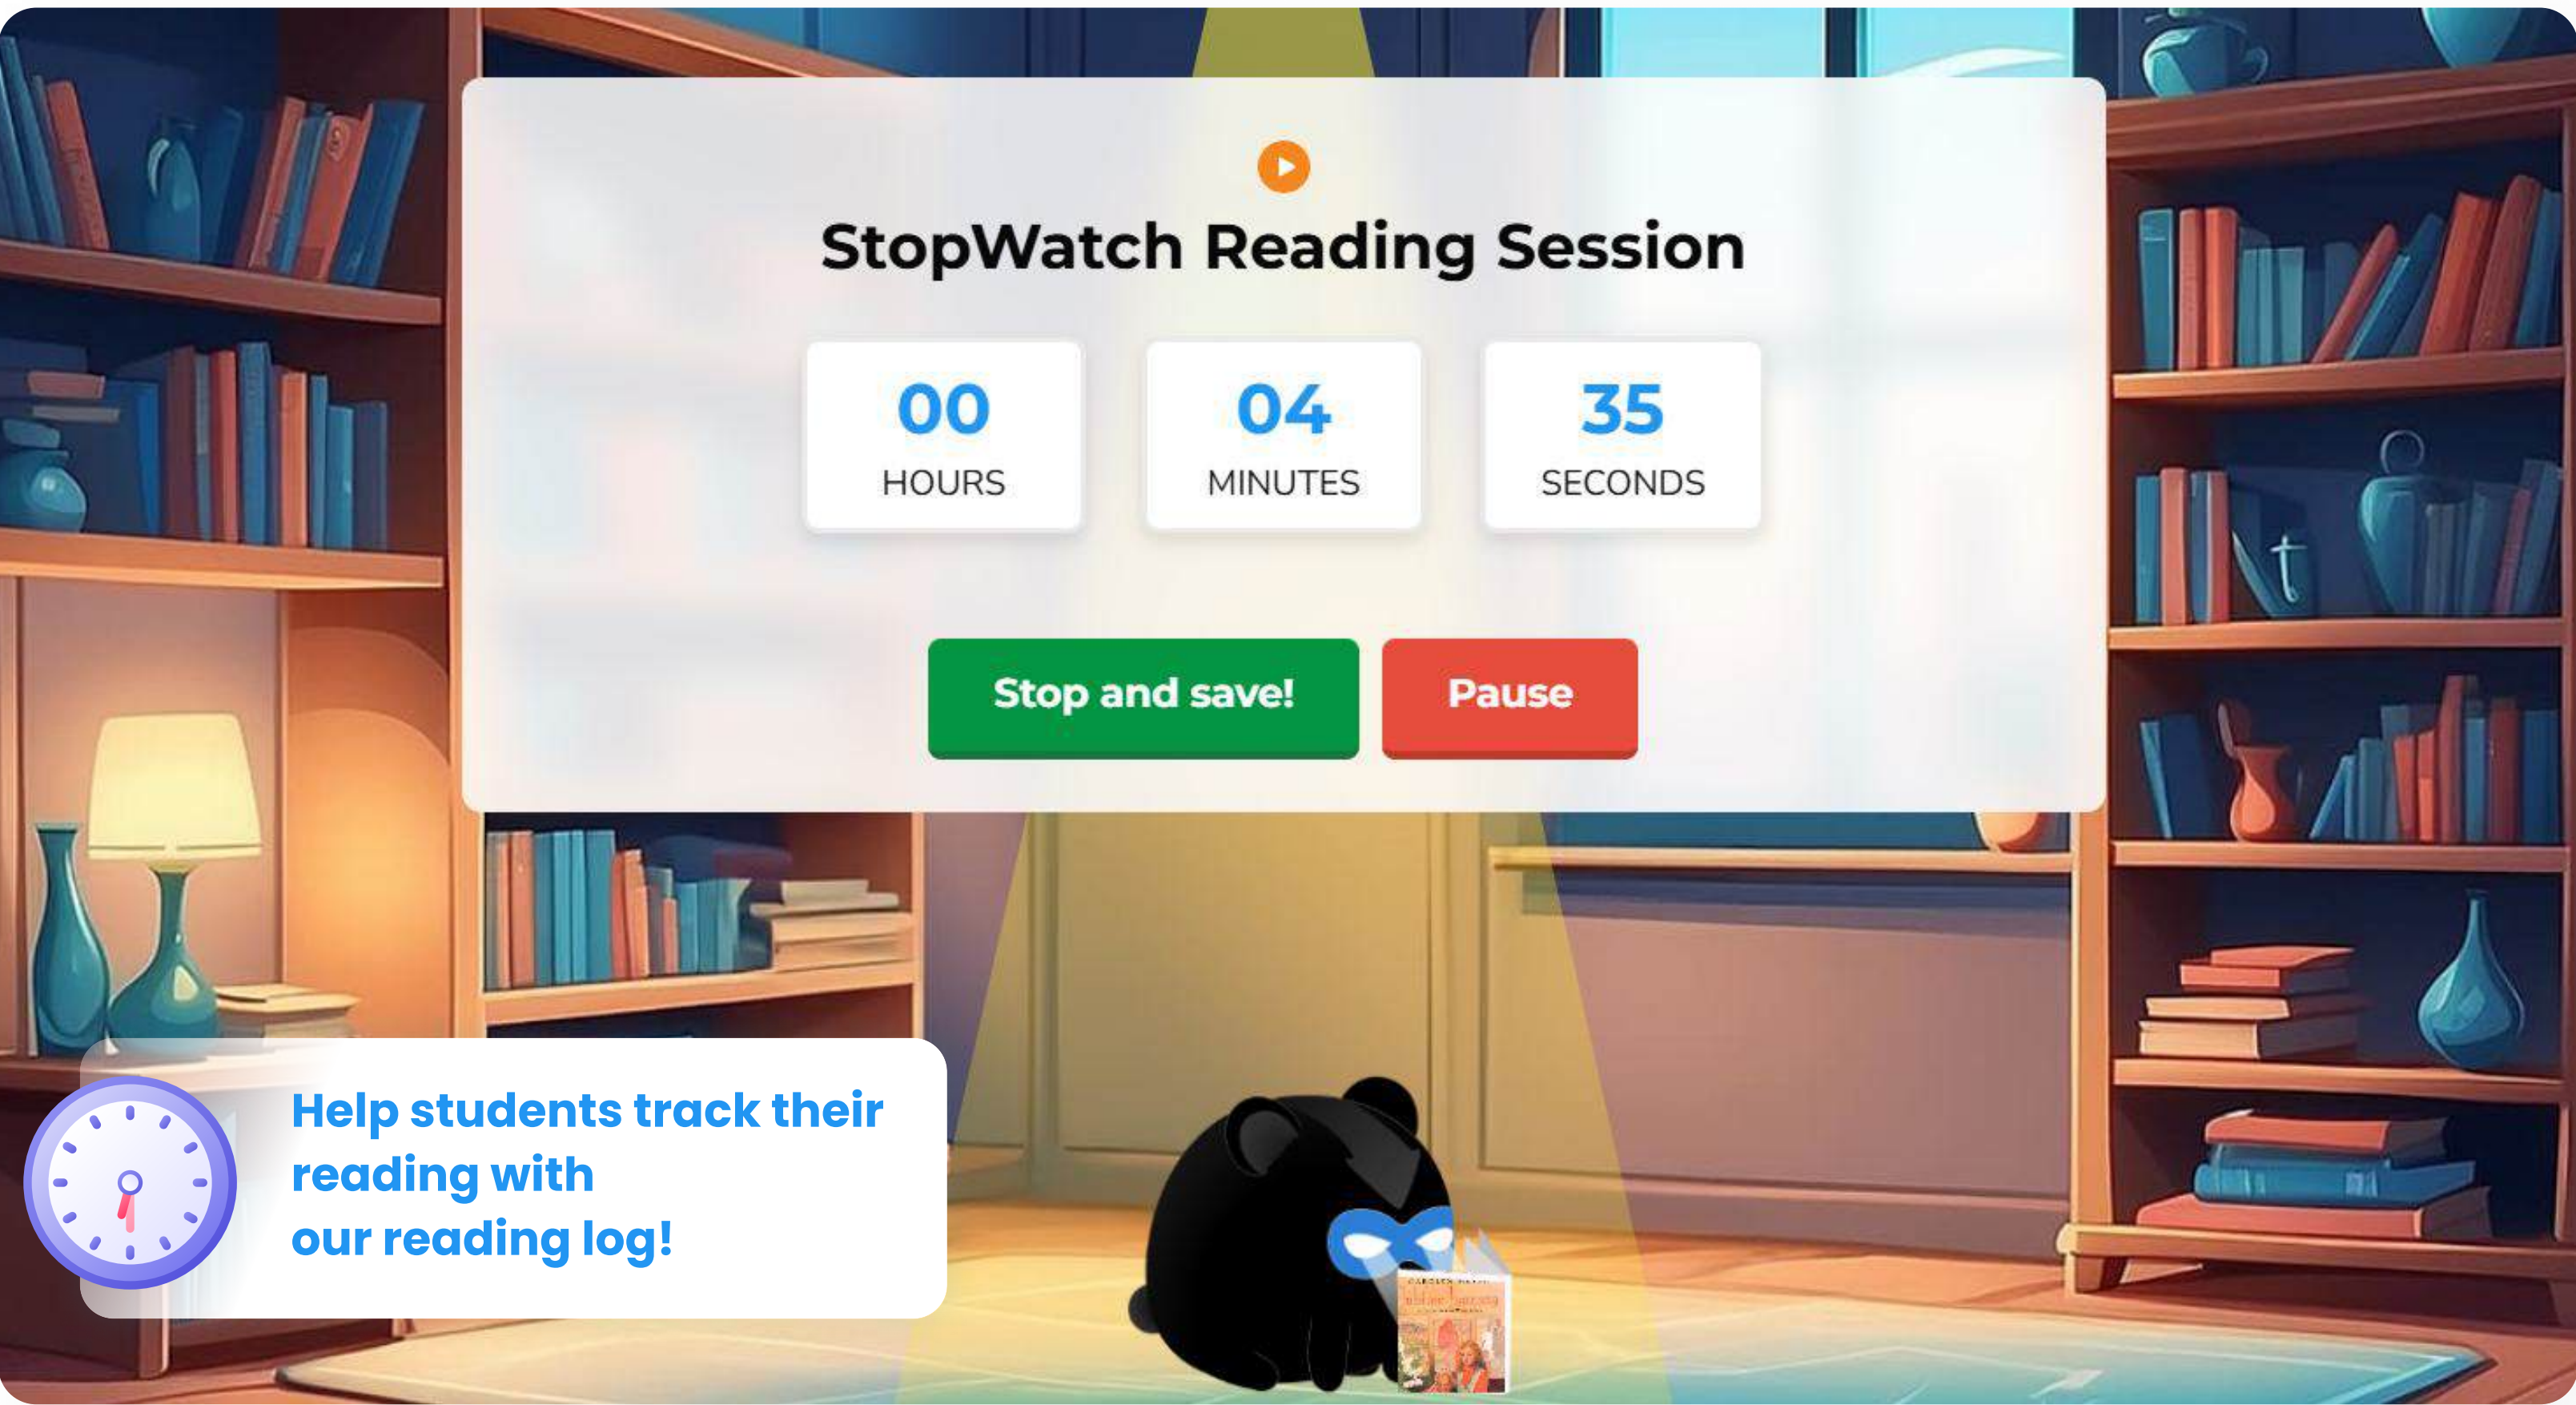

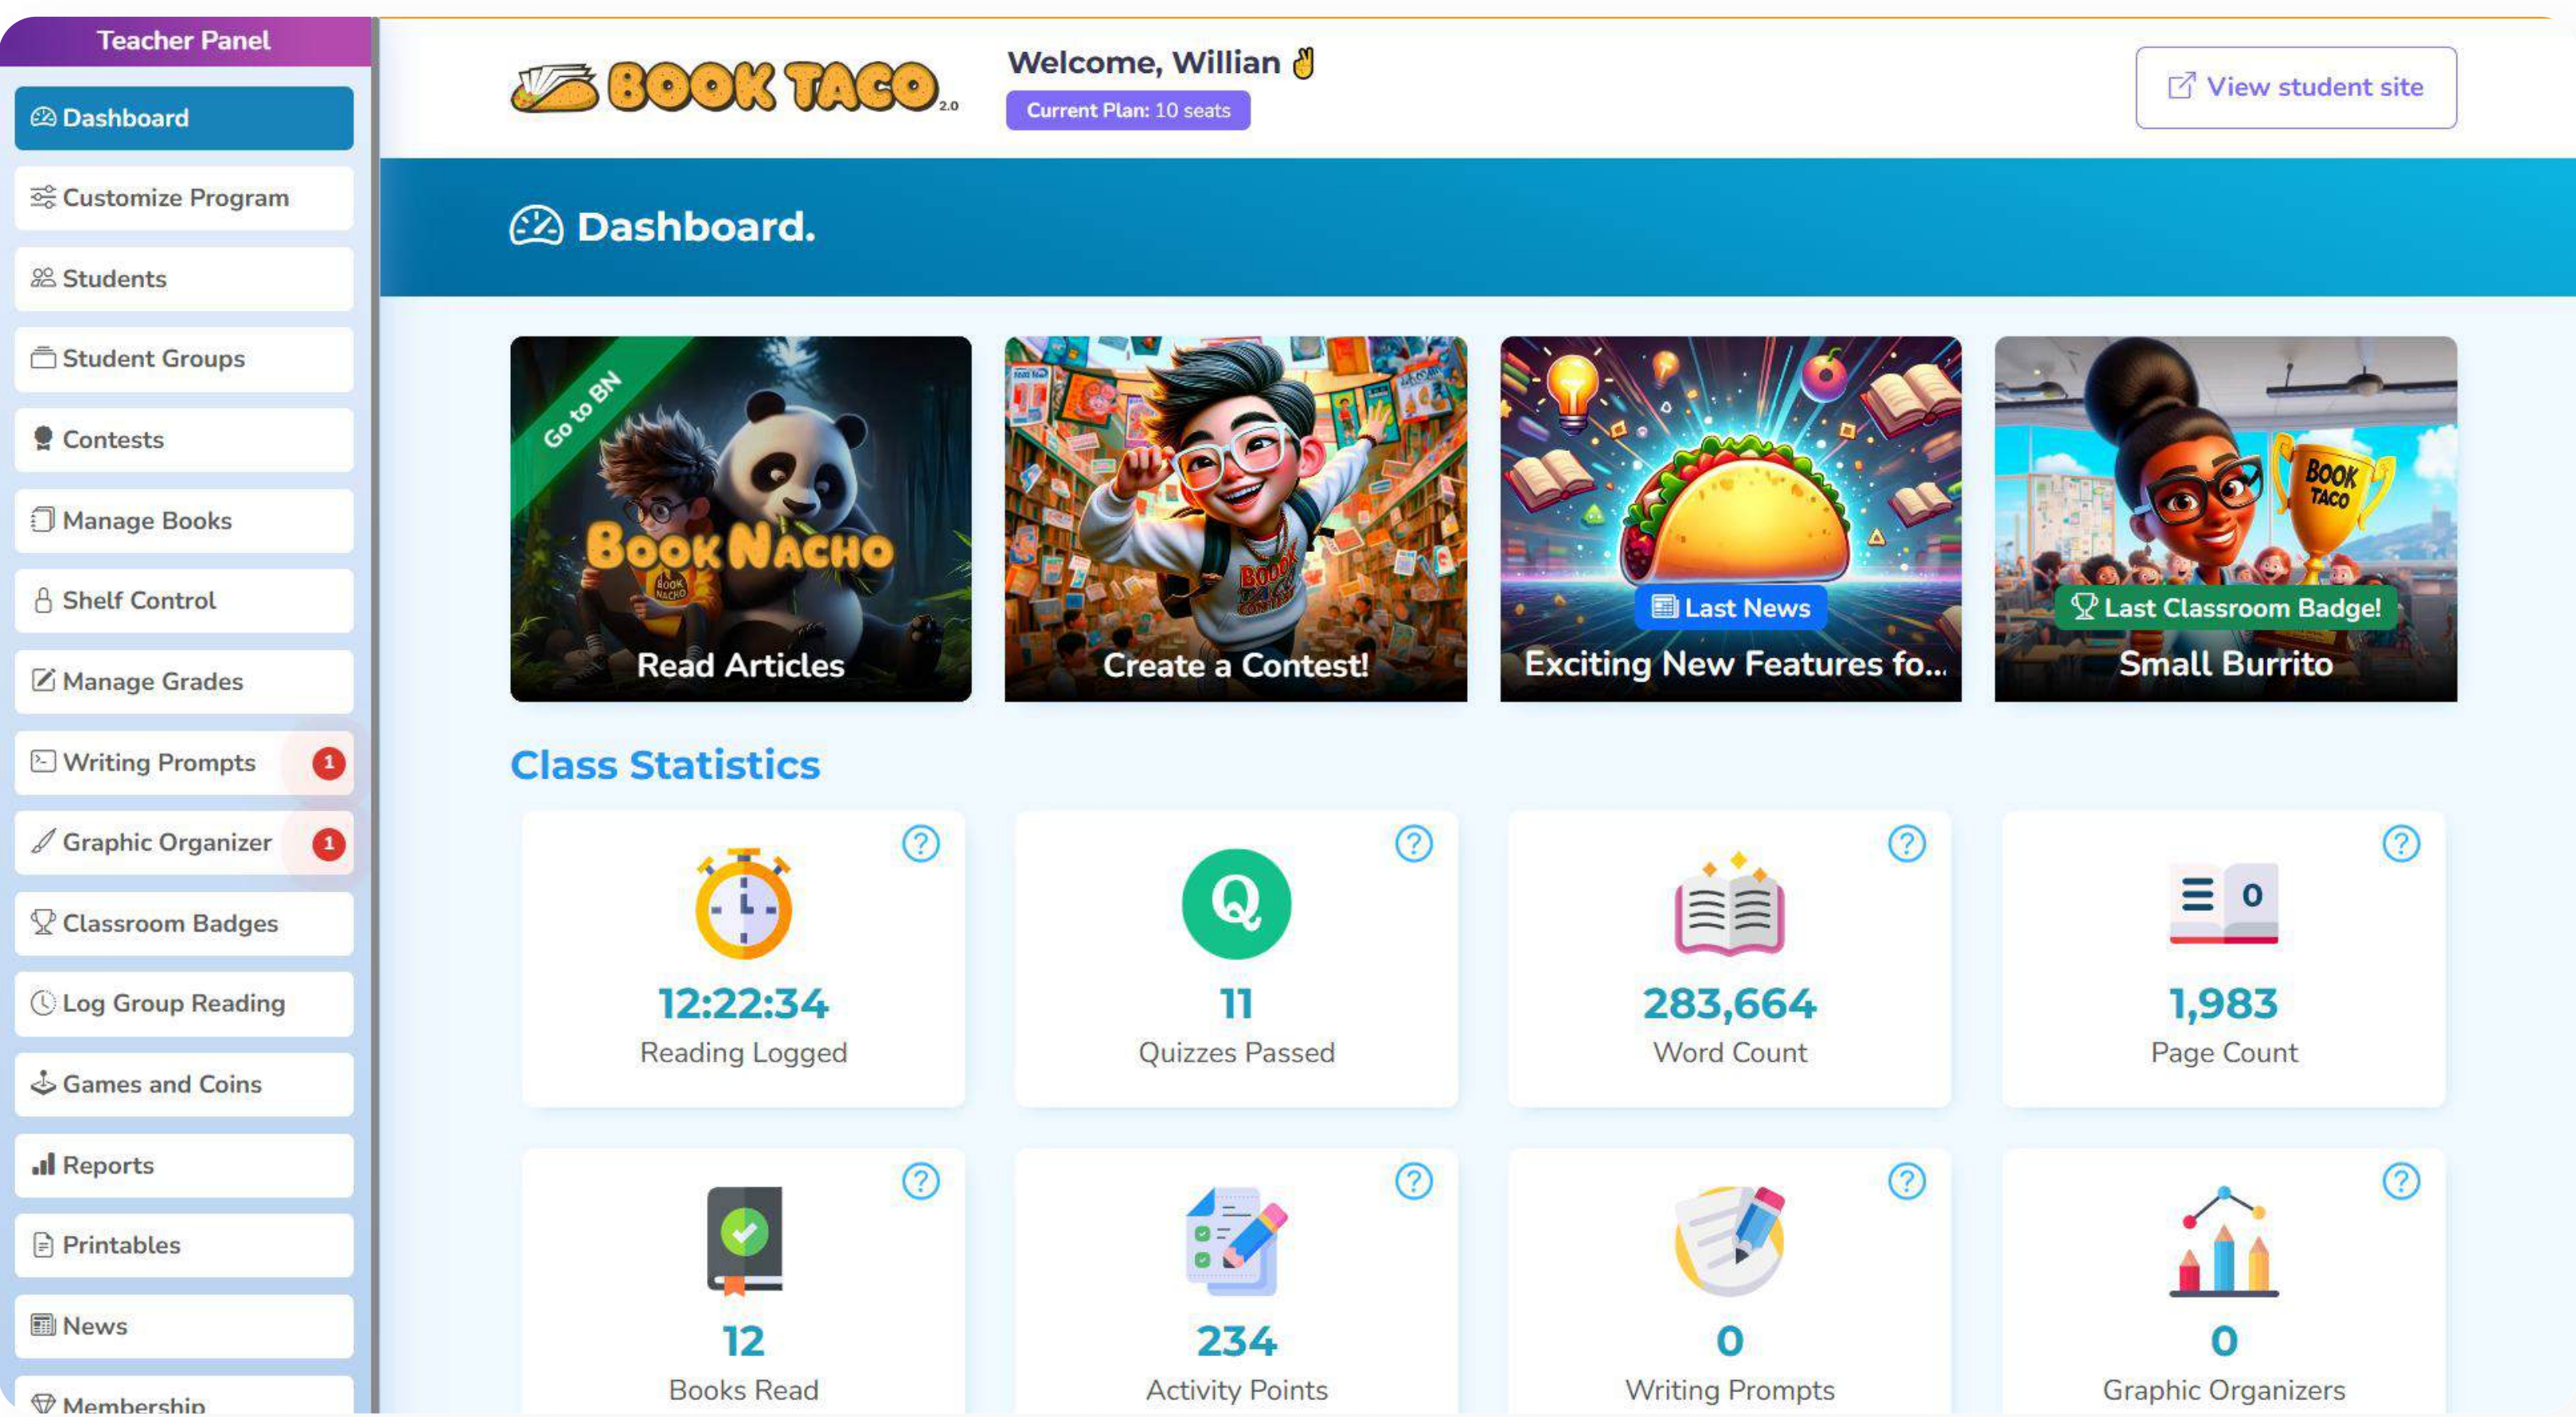

Empower school leaders, including media specialists, librarians, principals, and reading coaches, with comprehensive tools to manage and oversee teachers and students effectively.

Gain a macro-level view of the entire school, with the ability to move students between classes, manage student grades, and access detailed student reports.

What Schools and Districts Love Most

- ✓ Affordability! ½ the cost of AR.
- ✓ Over 58,000 reading comprehension quizzes.
- ✓ Book-related vocabulary and spelling activities.
- ✓ Writing opportunities for students in the form of prompt responses and book reviews.
- ✓ Students can log their daily reading time inside their accounts.
- ✓ Interactive and fun! Game-based rewards motivate participation and level the playing field for books.
- ✓ Virtual reading pet designed to engage even your youngest readers.
- ✓ Teacher-created custom book lists and ability to curate unique reading contests.

What makes Book Taco safe?

We take your privacy and your students seriously. Book Taco protects personal information and our commitment is guided by a few major principles:

- We don't require any Personal Data from students.
- Account manager can delete or correct Personal Data from students at any time.
- Maintain a safe and compliant platform.
- Information is never sold.
- Bank-grade security at the software and network level to ensure all data is secure.
- All information is stored in highly secure, access-controlled data centers.
- Work regularly with third-party auditors to continually improve security measures.

Testimonial ★★★★★

My teachers love Book Taco because it is student-friendly and customizable. I am very pleased, and the students love it! They ask every day if they can do their Book Taco!

Patti Blue - Superintendent Gustine ISD

Elevate your teaching experience to the next level!
