

Dear Families!

Book Taco is an online program designed to motivate students to be active participants in book award programs, literature circles, book lists and summer reading initiatives while providing teachers with a fun, dynamic platform designed to assess reading progress and reward effort.

Each student has been assigned a Book Taco Username and Password which enables independent, 24/7 access to BookTaco.com where they will find their classroom book list(s) and the associated interactive lessons. BookTaco.com is COPPA compliant (Children's Online Privacy Protection Rule) and students can log into their accounts from virtually any device - desktop computers, laptop/notebook computers, tablets, and iPads - at school, at home and on the go!

Below is your child's account information. Save this letter and keep in a safe place for future reference. Let me know if you have any questions regarding BookTaco.com and let's all work together to read more books!

Student Name: _____

Student Username: _____

Student Password: _____

Respectfully,
